Dear Mike,

Congratulations on your top performance and for achieving the honors of the 2009 and 2010 #1 Office in United States in Units and 2009 and 2010 #1 Office in the world in Units!

We missed you at the 2011 CENTURY 21® International Convention, though Dave and other members of your team were active participants in launching the REVOLUTION there. The enclosed banner was prominent at Convention and speaks to the importance that you and other honorees have within the System. I hope that you will display the enclosed banner proudly in your office as a symbol of the quality and value that your office provides every day at CENTURY 21 Mike Bowman, Inc., with the CENTURY 21 System and in your community.

In the coming weeks you will get a second letter from me including a flash drive with highlights of your team from Convention. I hope they will be useful to you in promoting your efforts on-line and in social media outlets as the smarter, bolder, faster, stronger and more innovative CENTURY 21 office that you are.

I wish you continued success

Respectfully,

Rick Davidson

*Awesome Work  
Mike!!  
See you soon*
